SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Honorable Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

Sir:

Applicants acknowledge with appreciation the Notice of Allowance of the above referenced application mailed September 7, 1990.

Applicants have recently become aware of information which may be pertinent to the prosecution of this application. The publication was cited in connection with the European Search Report which issued in connection with the corresponding European application. The publication is listed on attached Form PTO-1449 and a copy is submitted herewith for the convenience of the Examiner.

The publication was cited as being of technological background and discloses, *inter alia*, 3-piperidiny indole derivatives which differ from the compounds of the present invention in the nature of the substituent on the indole nitrogen and the nature of the substituent in the phenyl ring of the indole moiety. The compounds also differ from those of the present invention in regard to their utility.

Respectfully submitted,

*Richard E. Fichter*
